Every piece is made from solid lumber construction. The finest northern hardwoods - oak, cherry, rustic cherry, hard maple, brown maple, walnut and quarter sawn white oak, rustic hickory and African mahogany, are harvested especially for this furniture. **No plywood, chipboard or veneers are used in any part of the pieces.** Where else can you find such quality features as solid lumber drawer bottoms, dovetail drawers, mortise and tenon joints, and hand-rubbed linseed and watco oil finishes? We have been in business for over 35 years.
